Community Christian Counseling Center

2017 Endowment **CAMPAIGN**

*Expanding Our
Healing Ministry*

The Purpose of our Endowment

The purpose of the endowment is to create a fund to help persons in need of counseling who otherwise would not be able to afford the services of the Community Christian Counseling Center.

The average per session fee collected at the Center is \$68. The actual cost of providing each counseling session is \$88. This means that the Counseling Center each year must raise through donations 22% of its revenues to break even; this equates to \$80,000 per year.

Creating the Endowment will help us insure that we can continue to help those in need of our services.

Checks should be made payable to the Community Christian Counseling Center or CCCC

Donations should be sent to

The Community Christian Counseling Center is a 501(c)3 not for profit corporation.
Donations are tax deductible.

In Honor of Bill Larrison

The Endowment is being created in honor of the Rev. Dr. William Larrison, the founding Director of the Center, who retired in December of 2016.

The idea of creating an endowment fund came from a neighbor of Bills, a client of his and a member of Trinity United Methodist Church almost simultaneously after hearing Bill was diagnosed with Lou Gehrig's disease. Without any publicity, more than \$40,000 towards its goal of \$100,000. has been pledged or received by the Counseling Center.

Dr. Larrison's leadership in the role of Executive and Clinical Director of the Center throughout most of its history has created and sustained the Center's clear vision, purpose, high spiritual and professional standards.

The Community Christian Counseling Center is a 501© 3, not for profit organization founded in 1983 for the purpose of offering faith based counseling for individuals, couples and families. We work with all people regardless of their financial circumstances or faith perspective.
